Master Zack hails from Kansas City, MO where he has been an active part of the leather community for over 25 years and found his way into the seductive and exhilarating world of sensual kink and headspace fetishes very early in his journey. In 2002 Zack earned the title of Mr. Dixie Belle Leather and was extended the title again in 2003 competing at International Mr. Leather both years. Zack's interest in leather play, kink and fetishes led him in 2002 to become a founding "Headmaster" of Kansas City Leather University - an organization that has facilitated and presented workshops and support to the community for the past 17 years. To date KCLU has presented well over 250 workshops. During the past 25 years Zack's interests and experiences have continued to grow widely in the kink and fetish community and he enjoys presenting topics which include leather protocol, electrical play, nipple play, flogging, mummification, CBT, heavy ass play and fisting. In October of 2017 Zack was formally presented his Master cover from his "American & Euro" leather family. It was a pinnacle and emotional moment in Master Zack's leather and kink journey.
