

12:00PM - 12:45PM
Class: Fantasy to Reality
Presenter: Karen Ultra

Producer. MC. Judge. Tally master. Writer. Caterer. Comedian. The only thing Karen Ultra hasn't done during a leather event is deliver triplets while performing all six roles in the "Cell Block Tango" on stilts. Her skills on a stage have been seen at IML, ABW, Colorado Leather Fest, Iowa Leather Weekend, Mr. Indiana leather, Mr. Houston Leather, and several others she refuses to mention anymore. Her comedy has literally created a 5.5 earthquake, and has been known to offend men, women, marsupials, Sea Monkeys and Muppets. When she's not busy being a mother to her clone or keeping vampire's hours for her day job, she can be found around the St. Louis area antique shopping, looking for new pretty boxes to place the hearts she has ordered collected by her huntsmen.
