Presenter: Sir Bull

Mr. Iowa Leather 2018 and the current Central Plains Leather Sir 2019. I am a sex positive person who promotes sexual expression and sexual freedom. I spend my spare time bringing awareness about U=U and fighting to erase the stigmas related to HIV.

I have a collared boy, boy Cubby. You will often find me naked both indoors and out and involved in some sort of kinky fuckery.

My interests include smelling cocks, pole smoking, hole sniffing, electro, bondage, edging, impact play and an occasional fist in my hole or in some else's.

Outside of my dogs and horses, I enjoy a nice time camping naked and hanging with likeminded people. I'm also a big fan of photography.
